

Make It Interesting

– with mimio interactive technology and EdWest

EdWest Education is a company that is owned and operated by teachers. We understand what works in classrooms and only supply technology that we have used in real classrooms.

If problems occur, we fix them - guaranteed. Staff PD is supplied with all metro orders and we offer unlimited phone, online and email support. Full contact details are available on the website.

Mimio is manufactured by Newell Rubbermaid, a global top 500 company whose brands include Parker, Dymo, Papermate and Waterman.

Reach More Students with mimio products – It's easy to make your classroom interactive
